

Model : Albany King

Product Size : 1100mm x 2060mm (Base Int Size)

Thank you for purchasing this product. Before starting assembly we suggest you spend a short time reading through this leaflet, then follow the simple step by step guide. Two people are required to assemble this product.

OPTION A ONLY

OPTION B ONLY

Model : Albany King

Product Size : 1100mm x 2060mm (Base Int Size)

TOP TIPS BEFORE YOU START !

1. Please check that all parts & hardware are present before you start the assembly of your furniture.
2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, you identify all the parts required for that step.
3. We recommend that where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
4. For the protection of your furniture, particularly items of high gloss finish, we recommend that the product is placed on a soft, smooth surface during assembly to prevent any damage.
5. During assembly please take care not to overtighten any fittings, as this may damage the product.

IMPORTANT - READ CAREFULLY & RETAIN FOR FUTURE REFERENCE

CARE AND MAINTENANCE OF YOUR FURNITURE

- Please periodically check all fittings and re-tighten as necessary.
- To clean your item, please use a damp cloth and wipe clean.
- Never allow any kind of liquid to remain on your furniture. Absorption can cause wood to warp or finishes to de-laminate.
- Please do not place hot items (e.g hot drinks) directly on the wood surface.
- Please do not drag or pull your furniture.

IMPORTANT INFORMATION

1. Thickness of the mattress should not exceed 187mm.
2. Children should be discouraged from playing on top of this bunk bed.
3. The bunk bed should be checked periodically by the owner to ensure that the guardrail, ladder, and other components are maintained in the correct position and state of repair and that all connectors are tight.
4. A bunk bed is not to be placed near a ceiling fan unless the distance between the closest points on the ceiling fan bunk. Bed is at least 2 metres.
5. Use guardrails on both sides of the upper bunk.
6. Prohibit horseplay on or under bed(s).
7. Prohibit more than one person on upper bunk.
8. Use ladder for entering and leaving upper bunk.
9. If the bunk bed is placed next to the wall, the guardrail that runs the full length of the bed should be placed against The wall to prevent entrapment between the bed and the wall.
10. **WARNING:** Do not use the bunk bed/high bed if any structural part is broken or missing.
11. Ventilation of the room is necessary in order to keep the humidity low and to prevent mould in and around the bed.
12. **WARNING:** High beds & the upper bed of bunk beds are not suitable for children under six years due to risk of injury from falls".
13. **WARNING:** Children can become trapped between bed & wall, a roof pitch, the ceiling, adjoining pieces of furniture (e.g.cupboard) and the like. To avoid risk of serious injury distance between top safety barrier and adjoining structure shall not exceed 75mm nor shall be more than 230mm".
14. Always follow the manufacturer's instructions.
15. A statement that ventilation of the room is necessary in order to keep the humidity low and to prevent mould in and around the bed.
16. All bunk beds and high beds intended to be assembled by other than the manufacturer or his/her representative shall include assembly instructions including a list of the parts supplied and details of any tools required to assemble the bed.

STRANGULATION HAZARD:

17. Never attach or hang items to any part of bunk bed that are not designed for use with the bed for example, but not limited to hook, belt and jump ropes.
